No need to number the boxes below the thick black line.

Our Plan to **Get Australia Back on Track**

A strong economy with low inflation. We will rein in wasteful spending, support small businesses, halve the petrol tax saving you 25 cents per litre, and reduce taxes.

Cheaper energy. We will reserve more gas for Australians as part of a balanced energy mix, including more renewables and zero-emissions nuclear energy.

Affordable homes. We will fund the infrastructure required for housing and support first home buyers.

Safer communities. We will boost defence and border security, and enhance community safety.

Quality healthcare. We will fund more GPs, increase bulk billing and double the number of Medicare subsidised mental health sessions from 10 to 20.
