

Our Plan to Get Australia Back on Track

A strong economy with low inflation. We will rein in wasteful spending, support small businesses, halve the petrol tax saving you 25 cents per litre, and reduce taxes.

Cheaper energy. We will reserve more gas for Australians as part of a balanced energy mix, which will reduce power bills for households and lower costs for small businesses.

Affordable homes. We will fund the infrastructure required for housing, place a two-year ban on foreign investors and allow first home buyers to claim a tax deduction on mortgage payments for new builds.

Safer communities. We will boost defence and border security, and enhance community safety.

Quality healthcare. We will fund more GPs, increase bulk billing, provide more health professionals to the regions and double the number of Medicare subsidised mental health sessions from 10 to 20.
