# The Right Plan for Queensland's Future

- ✔ **Safety where you live** – through stronger laws like Adult Crime, Adult Time and gold standard early intervention
- ✔ **Health services when you need them** – by axing Labor's Patients' Tax, a tax which doctors have said will end bulk billing and make GP visits more expensive
- ✔ **Respect for your money** – by stopping Labor's expensive budget blowouts which are pushing up costs for families
- ✔ **A place to call home** – by abolishing stamp duty on new builds for first home buyers
- ✔ **A government that works for you** – to address challenges for the long term, not band-aid solutions at election time
